3 The All India United Nations Day Committee is of the view that this year the celebration should be more expansive and cover three dates

April	25	Opening of the San Francisco Conference
June	26	Tenth anniversary of the signing of the Charter of the United Nations
October	24	Climax of observance of United Nations Day

4 It would be appreciated if the State Committees meet early and take up work on some of the new ideas suggested in this letter A children s pageant depicting life in all countries as a feature of the celebration might be included The suggestion has been made that the hoisting of the United Nations flag by Mayors or Municipal Chairmen could be an appropriate prelude to the pageant if this could be arranged The Committee fully realises, however that the hoisting of the United Nations flag is entirely a matter for the decision of the local authorities concerned

5 As President of the All India United Nations Day Committee I am writing this letter to request your personal support for this year s programme There are a number of points on which the help of the State Agencies official and private, is needed to organize local observances

Dated, Bangalore, the 21st April 1955

An All India United Nations Day Committee working in co-operation with the local United Nations Information Centre and the regional offices of the Specialized Agencies (UNESCO, W.H.O., Etc.,) was established under the auspices of the Ministry of External Affairs. Srimati Vijayalakshmi Pandit was the first President in 1953-54. There are similar Committees formed in all the States. These dates provide just occasions for promoting greater understanding of the purpose and work of the United Nations, and it is hoped a greater effort will be made for the success of this year's celebrations.

We do not know whether you have already supplied material to that Government. In any case it would be appreciated if more U.N. material could be supplied to the Principal Information Officer, Government of Mysore, Banglore.

Yours faithfully,
